## *Good to Know*

If you wish to explore the surrounding areas, we have walking maps available at reception as well as the use of Hunter wellies for your more muddy adventures. Our helpful Guest Services team will also be able to share information on the surrounding villages and local hot spots you won't want to miss during your stay.

Whilst we are a dog friendly hotel, we do ask that dogs are kept on a lead in the hotel public areas and sadly we are unable to allow your four-legged friend to visit the restaurant. Your pup is, however, allowed full range of our gardens and is welcome to swim in the Tillingbourne river that runs through our grounds, Our last request is that you do not leave your pup unattended in your bedroom.

Wishing you a wonderful stay,
